The pictures were taken at the annual George Washington Convocation
The bottom picture shows the Grand High Priest (& deputy Grand
Commander) during introductions.

There were 16 candidates from several different towns. This is one of the largest groups I have seen for many years. There will be another convocation of degrees of the Royal Arch the middle of March with the Council degrees following then the Commandry Orders in May. Check with the Grand Recorder for the correct dates.

The degrees that are scheduled should bring the total new members to around 25. They then will be able to attend the Grand Sessions the first part of June. This is something I sure would like to see every year to get the York Rite back again. We hope to have an exciting session

We are looking for a sponsor for the ditty bags we get when we register We will print the name of the sponsor and event so it will something you can take with you to remind you of the great time you had in Billings.
