Greetings all Valiant Sir Knights of the Temple.

The 157<sup>th</sup> Grand Conclave of The Grand Commandery of Knights Templar of the State of Louisiana, is now behind us, we all need to hit the ground running. I challenge each member and commandery to cast off the status quo and set a new course. Let's make 2020 the year we turn York Rite Masonry around in Louisiana. In any job, housekeeping is extremely important, it is equally important in our fraternal organizations. We need to sweep the old status quo aside, and start again with a clean canvas, new ideas, and a new vision. As a fraternity we know where we came from, we know where we have been, now we need to determine our path forward. Communication will be key in all our efforts, when you find something that works let everyone know, if you try something and it doesn't work, still let everyone know.

No need to repeat a fruitless effort again and again. What works in one area, may or may not work in another area, so we need to communicate the good and the bad. Communication is key! If the members of one single commandery rally together and reach their objective, just imagine what several commanderies working together could accomplish. Let us choose our objective wisely, plot a new path forward, and communicate.

And remember Sir Knights: "Not unto us, O Lord, not unto us, but unto Thy name give Glory"
