

Greetings Sir Knights!

A gentle reminder to all Recorders, the returns sent in February are due into the Grand Recorders office on the 10<sup>th</sup> of this month (April). At the 2019 Annual Conclave it was strongly reinforced by the Finance Committee the importance that constituent Recorders comply with the due dates, so the Finance Committee is able to propose a budget for the following year with accurate numbers. Also, for the Grand Commandery and your constituent Commandery to operate efficiently, please remit your dues in a timely manner and if you are unable to do so, please communicate with your Recorder, who may be able to provide needed relief.

April brings Palm Sunday on the 5<sup>th</sup>, Holy Week observances immediately following ending with Easter on the 12<sup>th</sup> this year. I love the music at Easter, uplifting and full of promise of a new and never-ending life. As the procession enters with those old familiar hymns, it fills the rafters with the sound of joy. Welcome happy morning! Age to age shall say; Hell today is vanquished, heaven is won today!

Don't forget to mark your calendars and plan to attend the Annual Conclave to be held in Killington on the 8<sup>th</sup> of June at the Killington Mountain Lodge beginning at 9:00 in the forenoon. **EVERY** Sir Knight is invited to attend and are encouraged to do so. Details have been sent to your Recorders and the schedule, room reservation details and meal order forms are on the website located at [www.vtyorkrite.org](http://www.vtyorkrite.org). I look forward to personally greeting you there.
