

Greg G. Chapman
 Grand Commander

Greetings Sir Knights,

Having completed our 2017 Grand York Rite Session in beautiful Bar Harbor Maine and electing new Grand Officers and committees for another year, I am pleased to congratulate all involved for the countless efforts in making it possible for Templary to maintain its strength in Maine.

The health of our Constituent Commandery which is rapidly flowing into the New Year is very strong and vibrant. I am confident our new Grand Commandery officers will be as strong and supportive as previous years.. The excitement which has been shown thus far is overwhelming which will create a significantly more energetic Maine Commandery.

Lady Lois is hoping for another successful year for the Ladies program. It's truly seems with our Ladies present, attendance continues to grow for the Commandery with Sir Knights continuing to attend functions.

Please remember, some Sir Knights find driving a challenge for one reason or another. Let's not hesitate to contact a fellow Sir Knight in order to help facilitate transportation assistance to regular stated meetings or special functions.
