Right Eminent Grand Commander

Editor: Michael J. Kastle, KTCH, Grand Deputy Commander

Sir Knights who did not attend our Ascension Service on 17 May missed a very nice service, with organist, soloist and scripture reader from outside our Grand Commandery. Sir Knight Charles Phillips did an outstanding job in arranging the service. Our Chapeaus are off to you, great job Sir Knight Phillips.

At our KT Orders on 11Apr, we knighted 18 new Sir Knights, 15 of them came from Europe for the occasion. We were honored with the presence of the Grand Master of the Grand Encampment and many Grand Encampment Officers. Having had that many distinguished guest and that many candidates made this event a real treat and an event that we have not seen in a long time.

We have some additional petitions coming in and expect to do the orders again sometime in July, more information to follow. Commanders should start organizing their degree teams.

The York Rite Summer Picnic will again be at Patuxent River Park in Upper Marlboro, On 08 Aug, 10:00 to 14:00 hours. Reservations must be made with your respective Commandery Recorders, who will then consolidate the attendance and pass the totals to the Picnic organizers.

Do not forget the Triennial to be held in Roanoke in August. One of the many events will be the Drill Team Competition. For details see the Grand Encampment Website.
