Robert G. Davis,
Past Grand Commander
405-282-2037

On 30 May, the Sir Knights of Oklahoma Grand Commandery proudly escorted SK Richard Massad, Grand Master of Oklahoma Grand Lodge and his Grand Officers, through the streets of Guthrie OK reenacting the ceremony that brought the two Oklahoma Grand Lodges together 100 years ago. Thirty one Sir Knights, under the direction of SK James Taylor, presented a very impressive marching drill demonstration for the ceremony attendees. After the procession, we participated in a Grand Lodge corner stone ceremony. It was a very good day for Oklahoma York Rite Masonry.

I have been visiting Commanderies across the state. Already this year, I have observed impressive work in Lawton, Bartlesville, Oklahoma City (#3), and Stillwater. This week (June 1-7), I will be seeing work in Muskogee and Altus. Many Masons are becoming aware of the importance of the York Rite work in their Masonic endeavors. Our Grand Master has established a goal of 100 new Sir Knights at his Field Day in September. My goal is 200 total new Sir Knights during this Commandery year. I would really like to see some icing on that cake! You can help us!

Later this year, we will be convening Grand Commandery to reestablish the competition that was held during our annual convocation with the Oklahoma Grand Chapter and Council. On that day, Sir Knights from each Commandery will be expected to compete in individual and team competition events that the Grand Officers will establish. I now remind you that when you accepted the responsibilities of office you vowed to perform the necessary activities required of a viable Commandery. Those vows should not be taken lightly!

As Sir Knights, we vowed to observe, think, choose a course, and act on our convictions both individually and collectively.

I look forward greeting you in the near future!

Lewis (Lew) Hullum, REGC

Calendar

July 20 Monday...Past Master Degree in Tulsa 5925 E 9 Street
