Colorado York Rite Life Memorial Fund

The fund was created to provide a stable source of dues, per capita and interest income for the support and perpetuation for the bodies and the Grand York of the State constituent of Colorado.

Any York Rite Mason in good standing and possessing a current dues card in a Chartered Constituent York Rite body if the Grand Jurisdiction of Colorado may purchase a perpetual membership. A member purchasing a perpetual membership shall apply to the Secretary/Recorder of his constituent York Rite body for the prescribed forms. He shall tender twenty (20) times the sum of annual dues of his constituent body to include the per capita at the time of his application.

Any York Rite Mason who purchased a membership at thirteen and one half or sixteen and one half times dues and per capita may upgrade to the present twenty per cent by forwarding twenty times dues and per capita less the amount previously paid.

A perpetual member may transfer his membership by affiliating with any York Rite body of his choice within the Grand Jurisdiction of Colorado. However, if the dues and per capita of the new body are higher than the previous body the additional funds must be forwarded.

Sir Knights it is through this program that we will be able to continue our fraternity after you have gone to your reward. For younger members it is a great deal. For older members it provides a way to insure that you will always be remembered in your Chapter, Council and Commandery.

This space should be blank because you have not submitted the activities of your Commandery! WHY NOT!
