## MESSAGE FROM YOUR GRAND COMMANDER

Greetings Sir Knights;

As we enter into what is expected to be downtime for Masonic meetings and to try and do the "Honey Do" listed items we have been putting aside for the last few months, I for one find it difficult to shift gears. But as we each know as we go through life we are in a constant changing mode. I hope each of you are able to spend more quality time with family and friends doing not only the needed job lists, but also to have some fun time.

As we celebrate our country's Independence Day, I hope we will reflect on what our forefathers did for us and what they sacrificed to make our country free, for all men, women and children. May God bless those serving in our military today. We are truly blessed to live in the United States of America.

So my brothers, enjoy your family activities and refresh yourselves.

Remember the Knights Templar family picnic on July 10 at Ashlar picnic area from 11:00am to 3:00 pm.

Hope to see many of you there.

Sir Knight Jack H. Stevens, K.T.C.H., your R.E.G.C.

## Your change can make a change

- Cataracts are the leading cause of blindness worldwide, and the leading cause of vision loss in the United States.
- By age 80, more than half of all Americans have cataracts.
- The KTEF was founded to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex, or national origin provided that they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye.
- To date, the KTEF has provided in excess of \$100 million of assistance in surgeries and in excess of \$10 million in pediatric research grant awards.
- Together we can make a difference one penny, nickel and dime at a time.
