Sir Knights:

I wish to thank you for the honor of electing me as Right Eminent Grand Commander for the next chivalric year. In pondering what to include in the Connecticut Supplements besides a recitation of current and future Templar event, I thought that I might include information (where available) regarding the origins, background and/or meaning of the Templar emblems we encounter. For example, I have always wondered about the Templar emblem which shows two knights astride a single horse. What does it signify? What is its origin or background? In the next Connecticut Supplement, I will share what knowledge I have been able to acquire on this subject and I invite input from any Sir Knight who may be able to help.

Yours in Templary,  
Paul L. Chello

Right Eminent Grand Commander

Dear Sir Knights and Ladies,

I would like to take this opportunity to thank all those who contributed to this year's "Craft Room" whether it was with a raffle or by buying tickets. Also to all the Sir Knights who again supported the "Bakeless Bake Sale" thank you.

Sincerely,  
Lady Lori Cowie
