William David Stephey Jr.
Grand Commander

Sir Knights,

It is June, spring is about over and Summer is soon to begin. But first my report of the 40 consecutive days of the Holy Hour I have challenged us with, well I have been improving I have managed 10 consecutive days, but alas that seem to be the limit up to now. I manage a couple of days miss one then spent the next two with less than an hour, but I am trying and I am learning how difficult commitments can be, especially self-imposed and little ones, even one measly little hour, Thank God these are not so much a matter of life or death, if they were how diligent could we, I be? So, I will continue to make that effort and continue to report it Don't give up on this endeavor it is worth it, even if it shows our, my short comings it's definitely a learning experience, I encourage all of you to continue or even start you will learn a lot.

Now as summer begins and most of our Masonic lodges and chapters begin to go dark, take the opportunity to reconnect with your families both personal and Masonic and reconnect with our God, set new courses in the fall when the Masonic year awakens again.

As I write this supplement the York Rite planning council will meet this week and we will have new dates for the conferral of the new Chapter and Council degrees as well as the Commandery Orders and as they become available, they shall be posted in the next supplement.

Now I would Like to acknowledge Eminent Commander Mark Button of Trinity Commandery#3 for a Great Conferral of the Mediterranean Pass and the Order of Malta,

I would Also like to Acknowledge the work of our Very Eminent Deputy Grand Commander Sir Knight John A. Eberly ,he has worked on my Behalf in St Andrews Commandery#2 during the resignation of their Commander due to health reasons.

There are many I could and should acknowledge, These Sir Knights have done very well Good Job.

Still your Commanderies need you, come out and get involved, if there are any past hard feelings? Put them aside, let's get them resolved and let's go forward.

Your Servant

Sir Knight William D Stephey Jr. R.E.G.C.
