GRAND COMMANDERS MESSAGE

Greetings Sir Knights

Well it is a month until Grand sessions. I have had a great time this year. Thank you for the honors you have shown me through the year. We have Easter coming up on April 1. The Minister we have sent to Israel has invited us to attend Easter Services in Uniform at his Church. We will assemble in the parking lot of the Ada First Freewill Baptist Church, 421 Ash Ave, Ada, Ok at 10am with services starting at 10:30. Dress is Class A, Belt no sword. If you are in a Cap and Mantel Commandery bring them. Please let me know if you are coming via e-mail.

Up from the Grave he arose. With a mighty triumph o'er his foes. Easter we celebrate the fact that Jesus was resurrected and now reigns eternal with the Father, The Blessed Immanuel.

Under Jewish custom women were not valid witnesses. Then why were women the first witnesses of the resurrection? It is my theory that women were the first witnesses adds credibility to the resurrection. Had it been a work of fiction then men would have been used as more credible

Because he lives I can face tomorrow. I hope to see you in Ada.
