Greetings Fraters!

Wow! Where has the summer gone?

As you read this, your Grand Commandery leadership team will be in the way to Grand Encampment Triennial to elect new Grand Encampment leaders and vote on several important resolutions that will affect our Grand Commandery. I will I'll keep you posted on the outcome.

Closer to home, our Rituals and Tactics Committee is hard at work on a new tool that will clarify and sync our floor work to the ritual. It will be a great assist to improving our ritual performance.

Additionally, the annual York Rite Picnic at the Royal Arch Park is in the books for another year. This fun event is a great place to introduce prospects to who we are in a non-threatening environment. Since subtle arm twist recruiting is always easier when fun and food are happening, remember it for next year.

That's all for now, but get some rest, have some quality family time and get ready to get back to work in

Templary. Remember, walk the walk as Soldiers of Christ!

Luke 15.1-10.

Grace and Peace,
