LeRoy D. Kifer
Grand Commander

Sir Knights of Wisconsin,

“Sir Knights, you are going to also hear from me about attending the next Triennial which will be held in August of 2021 in Minnesota. It has been a dream of mine to Captain an “A Team” in the drill competition and I truly believe that with help from the Sir Knights of Wisconsin I could accomplish this. Let’s leave it at that for now but be ready for discussion.”

This is how I left my last message to you from last month. It is with great honor that I report to you that the Ivanhoe Drill placed 3rd out of 16 teams in Class D. Congratulations to those Sir Knights.

Now it is time for that discussion from last month. Can the Sir Knights of Wisconsin come together as a unit and put together a Class “A” team of 31 Sir Knights and experience something the has not happened since 1946, when Wisconsin Commandery No.1 went to Houston, Texas? YES I MEAN 1946.

I believe so with some encouragement and some practicing. I have a few videos of this year’s competition in the A, B and C classes from Indianapolis. If anyone would like to see these, please let me know and I will try and do my best to get you a copy. Putting together a team from throughout the State of Wisconsin is not going to be easy. But it is very rewarding and the camaraderie that comes out of spending time together with the other Sir Knights, forming bonds and working and coming together as a team is well worth the effort. What I need from the Sir Knights for now is the commitment to attend in August of 2021. Going from there, I can then start to make all the plans necessary to make this happen. As we see each other this year, let me know what you think about this idea and if you would like to participate in making history for Wisconsin Grand Commandery and be part of this Drill Team from the State of WI.

I also want to mention the School of Instructions. Let the other Commandery’s of the State know when you may be having yours, so those Sir Knights can make plans to attend and learn from each other. Again, this is the camaraderie between us all that will make us stronger in the end. We can send out a mass email from the Grand Office when these are scheduled, you just need to let us know.

Courteously yours,
SK LeRoy Kifer
Grand Commander
