Greetings to all Sir Knights,

It's hard to believe that August is here already. Vacation season will be winding down and school will be starting before we know it. I hope everyone had the opportunity to spend time with family and friends and enjoy this summer.

With the unofficial summer ending at Labor Day, we need to start getting back into the habit of attending our local conclaves.

Your Grand Officers will be representing you in Indianapolis, Ind., for the Sixty-Seventh Triennial on August 20-22. There is one proposal to be balloted upon at this Triennial that may be of interest to the Sir Knights in our Jurisdiction. If passed it will change the number of Sir Knights required to constitute a quorum from nine Sir Knights from the home Commandery to five. If this is passed it will allow us often to have a meeting instead of being one or two short.

We have several inspections coming up and I hope you will make every effort to attend the inspection of your Commandery. The current list of meetings can be found on the next page. If there are any changes, please let the Grand Secretary or myself know as soon as possible.

Commanders, if you have not already scheduled your inspection, please do so immediately.

Stay safe in your travels and I hope to see you in my travels.

I look forward to a great year as your Grand Commander and hope that we can make it a successful one.

Fraternally yours,

*Daniel A Witschey*

Right Eminent Grand Commander
