Dear Sir Knights and Ladies:

It has been a very busy start of my Grand Commandery year. The Grand Commandery Sessions held in Casper were very successful thanks to Sir Knight Dana Deuel, Sir Knight Bill Biggs and the rest of the Knights of Apollo Commandery No. 8. By the time this publication hits print I will have already made some visitations, held an officers meeting in Casper and been to the Northwest Department Conference in Boise. Hopefully I will have brought back some ideas for Wyoming Templary.

I would like to congratulate Past Grand Commander Harry Furrey on a successful year. I would also like to congratulate M.E.G.H.P. Tom Smith and M.I.G.M. Wayne Long for being elected to their respective Grand Bodies. I am very much looking forward to working with you this year.

The New Masonic year should be in full swing at your local lodges. Just a friendly reminder that it is vital for us to be involved in our local lodges. There is no higher honor than being raised to the degree of a Master Mason. If we plan on being a strong Grand Commandery we need to be involved in our Blue Lodges. They are the life blood of our Grand Bodies.

Lady Cheri and I want to wish each and every one of you a blessed Thanksgiving. We would like to thank God for the blessed friendships we have made and the ones to come.
God bless,
Greg Shiek
Grand Commander

This is also the season of harvest and a time for giving thanks for our many blessings. May your Thanksgiving be a most blessed one as we enjoy the fruits of our labors.

Now is the time to begin preparations to celebrate the birth of our Savior, so let each Commandery begin its celebratory preparations. If there are special events in your area planned for the Christmas Observances, I would urge you to do so. Many communities offer Christmas “Care Packages” for those less fortunate than we may be. Please take the opportunity to assist where you can with collection or distribution, following the example of our Lord and Savior. And if you traveling over the holidays, please travel safely.
