All Knights and Officers:

The Knights lengthen or shorten the step at will, so that it will break the cadence, they are not required to preserve silence or keep step. Allow the movement to proceed long enough so that step and cadence are broken.

Captain—It may be useful to assign some Knights to lengthen the step and some to shorten the step. Allow the movement to proceed long enough so that step and cadence are broken.

TO RESUME THE CADENCE, STEP AND SILENCE

Captain's Commands: 1. **Commandery**, 2. **Attention**.

Captain: Commands: 1. *Commandery*, 2. *Attention*.

AT THE COMMAND ATTENTION

All Knights and Officers:

Bring the heels together and halt. DO NOT MARK TIME. Immediately step off on the left foot when the Captain starts the cadence count 1 etc. The Captain may count cadence 1-2-3-4 twice.

ALIGNMENTS (Par. 74 & 75)

NOTE: After aligning the team the Captain gives the command: *Front*, the movement is not complete until the knight giving the command faces front. The position for the knight to go to before facing front is determined by the position of the team. If the team is in a full commandery front go to the position three paces in front of and centered on the commandery and face front. If the team is less than a full commandery front go to the position three paces in front of the right file (if right dress) or the left file (if left dress) and face front. He may then move to a different position if necessary for the next command.

ALIGNMENTS (Par. 74)

(By File)

Captain's Commands: 1. **Right (Left)**, 2. **Dress**, 3. **Front**.**Captain:** Commands: 1. *Right (Left)*, 2. *Dress*.**AT THE COMMAND DRESS**

The base of the alignment having been established, each Knight moves up successively in quick time, shortening the last step, so as to be about six inches behind the alignment which should never be passed; each Knight then executes EYES RIGHT (LEFT), and moves on the line taking steps of two or three inches, places his Right (Left) arm against the arm of the Knight on his Right (Left), shoulders square to the front.

Captain: Verifies the alignment at the two pace interval from the Right (Left) Flank. He may order up or back such knight that may be in rear or advance of the line. When he is satisfied with the alignment Commands: 3. *Front*.

AT THE COMMAND FRONT**Each Knight:** Turns his head and eyes smartly to the front.**Captain:** Takes his position as described previously (Par. 74 & Par. 75) and faces front.

NOTE: If the captain deems it necessary to move a Knight or Knights up or back, only the Knight or Knights moved will be scored by their respective judges. The Captain will be scored only after the command front has been given.

ALIGNMENTS (Par. 75)

(From Column)

Captain's Commands: 1. **Right (Left)**, 2. **Dress**, 3. **Front**.**Captain:** Commands: 1. *Right (Left)*, 2. *Dress*.**AT THE COMMAND DRESS**

The base of the alignment having been established, the entire rank moves forward (by Threes or Sections) and dresses up to the line as explained in Par. 74 above. Each Knight except the base file executes EYES RIGHT (LEFT).

Captain: Verifies the alignment at the two pace interval from the Right (Left) Flank. He may order up or back such knights that may be in rear or advance of the line. When he is satisfied with the alignment Commands: 3. *Front*.

AT THE COMMAND FRONT**Each Knight:** Turns his head and eyes smartly to the front.**Captain:** Takes his position as described previously (Par. 74 & Par. 75) and faces front.

NOTE: If the captain deems it necessary to move a Knight or Knights up or back, only the Knight or Knights moved will be scored by their respective judges. The Captain will be scored only after the command front has been given.

WHEELING (Par. 80)

Wheelings are of two kinds; on fixed or moving pivots. In all wheels, the guide on the marching flank keeps the pivot constantly in view (Paragraph 18); to this end, the Knight next to him keeps the line of his shoulders a little to the rear, but in the same direction. When platoons or larger subdivisions wheel, a slight uniform bow of the line to the rear is permissible.

ADDENDUM (Par. 80)

In the execution of all wheels, **whether on fixed pivots or moving pivots, head and eyes are turned simultaneously with the first step of the wheel. Head and eyes are turned back to the front simultaneously with the first step following the completion of the wheel. When the wheel terminates with a halt, head and eyes are turned simultaneously with the last movement of the halt; that is, as the feet are brought together** (Paragraph 67).

**Head Movements Following Successive Formulations into Line
(Examples: Paragraphs 205, 207, 241, 303 and 304)**

In successive formations into line, **each element halts and dresses successively upon arriving in line. The Knights of each element complete the halt in unison with head and eyes straight to the front. On the first count after the halt is completed, head and eyes are turned in unison to dress.** A count is one-half of one second.

WHEELINGS ON A FIXED PIVOT (Par. 81)

THE FIXED PIVOT IS USED IN WHEELING FROM LINE INTO COLUMN,
OR FROM COLUMN INTO LINE.

The pivot Knight marks time in place, turning to conform to the marching flank.

The Knight on the marching flank takes the full step and looks toward the pivot. All keep touch of elbows toward the pivot, head and eyes turned toward the marching flank, regulating the length of step accordingly.

WHEELING ON A MOVING PIVOT (Par. 82)

THE MOVING PIVOT IS USED IN CHANGING DIRECTION OF COLUMN IN MARCHING, AND IN SOME SUCCESSIVE FORMATIONS.

The pivot Knight takes a short step, thus gaining ground forward, describing a circle the radius of which is always 30 inches, regulating the length of step to correspond to the marching flank. The Knight on the marching flank takes the full step and looks toward the pivot. All keep touch of elbows toward the pivot, head and eyes turned toward the marching flank, regulating the length of step accordingly.
