From the Head of the Lines

Sir Knights:

Well we have come to the end of yet another Chivalric year and what a year it has been. In retrospect, I believe that we could have done things better, I could have done things better, but hind sight is always 20/20.

I want to thank every Sir Knight for your help and support this past year, God knows I am not the easiest person to deal with nor do I get along with a lot of the Grand Officers because I feel we are always treated as the red headed step child of the Grand Commandery, but we as usual overcome and it is because of you.

I hope and pray that candidates keep coming through the Commandery and that we continue to grow over the next few years and beyond. I also know that you will all support my successor and to continue the great fraternity that we all belong to and love.

I look forward to seeing you all this month and if you can not be with us, may you all have a happy and safe summer and we will see you in September.

Your Obedient,
CJ Ferry
