Social Order of the Beauceant

December 1, 2020

Dear Sisters,

We knew this year was going to be one for the history books; we just never expected such a huge chapter. At this time of year, I like to reflect on the moments that 2020 has brought us. We learned toilet paper and Lysol wipes were necessities. We learned a kiss and a hug are a privilege that we will never take for granted again. We learned that our Lord is in charge and our faith is stronger than before. We stopped for a while and noticed nature and what a beautiful world we have. We learned that we can reach out to one another electronically to keep our friendships and sisterhood alive and strong.

Christmas is my favorite time of the year. What a strange and wonderful miracle happens to the world when Christmas comes. It is though some gigantic fairy waves an enormous wand over the world, softening and regenerating us all. We think of it as the birth of Christ who teaches us how to live without fear, for "perfect love casted out fear." He teaches us to have strong faith, for a mind filled with strong faith is also filled with courage.

May our hearts be filled with a sincere and reverent spirit of love and understanding. Let us remember that promoting the happiness of others will bring us a great and complete joy.

Christmas Memories

*We gathered 'round a glowing tree
and shared some Christmas cheer.*

*We spoke of happy memories
with loved ones, far and near.*

*We saw the look of wonder
on faces, young and old,
as we listened to the story
of a Baby being told.*

*We laughed
and sang
and reminisced
and shared a gift or two.*

*Then we gazed into a starlit sky
and once again, we knew...*

*No matter where we wonder
no matter where we roam*

*Christmas is the miracle
that brings our hearts
back home.*

From our home to yours,

Merry Christmas and a Happy and Healthy New Year!

Beauceant Love,

Mrs. Carl W. Wunsche
