Matthew 5:16

"Let your light shine before men in such a way that they may see your good works, and glorify your father in Heaven."

We as Christian Knights must always let our light shine amongst our brethren so they can see that we are also trying to do good and be who we are. Letting our light so shine may inspire others and when all of our lights shine together we can light up all of our paths through this unruly time that we are now going through. Our light will give us hope to carry out what the Heavenly Father has for us to perform.

So, all Sir Knights wherever you may be, let your lights show others the path in which to follow.
