July 2023

To the Sir Knight's of the great state of Wisconsin, THANK YOU ! ! ! !

I cannot begin to express to you what a great honor and privilege it is for me to serve you this next year.

Knight's Templar in Wisconsin is known for the amazing degree work we do. Other jurisdictions constantly comment on how top notch our degree work is and how they wish they could do what we do. With that in mind I have noticed many new faces within the order throughout the state over the last 4 or 5 years, which is truly GREAT. So, in an effort to keep this reputation my plan for this year is to get back to the basics. Basics of drill, basics of marching, basics of the wear and appearance of the uniform. My first effort will be the wear and appearance of the Templar Class A uniform. We have had many small changes to our Uniform code over the last couple years, so I am going to challenge each Commandery within the state to review and have all Sir knights make the adjustments to their uniform, so we all are within the regulations. I plan to visit every Commandery on their normal meeting night prior to the formal inspection season and insure we are all meeting the standard. I am excited to be starting this year and have many more things planned. I look forward to seeing each and every one of you in the Asylum.

As always if there is anything I can do to help or if you have something you wish to discuss do not hesitate to contact me.
